THE 2011 DONZI 29 ZF Cuddy

The 29 ZF Cuddy offers the same speed, handling, and smooth dry ride as Donzi's larger ZF models, in an easy to trailer, easy to manage 29-foot package. Far from a bare bones fishing boat, the 29 ZF's deep and roomy cockpit boasts a boatload of standard fishing features as well as luxurious Donzi touches throughout.

The 29 ZF's roomy cockpit features the same richly upholstered drop-down bolster seats and wraparound cockpit coaming bolsters as Donzi's larger ZF models. There's a head compartment with porta-pottie concealed inside the center console. A sturdy console windshield offers protection as well as a distortion-free view, and the aluminum T-top includes an electronics box, forward and aft spreader lights & integrated overhead PFD storage.

With its advanced Donzi running surface and twin engines up to 275 HP each, the Donzi 29 ZF will thrill you with its speed, handling, sports car-like acceleration, and surprisingly smooth ride.

THE 2011 DONZI 29 ZF Cuddy

Need photography

THE 2011 DONZI 29 ZF Open

Donzi's 29 ZF Open comes armed with well-designed features such as insulated fishboxes beneath the aft cockpit sole, and a 50 gallon illuminated livewell with high volume pump system tucked away beneath the aft seat. There are four standard rod holders mounted in the gunnels, four more built into the helm seat, and an additional four on the t-top. You'll find a removable cooler beneath the forward console seat, and a tackle box built into the console. The cockpit sidewalls contain integrated rack storage for eight fishing rods, and all floor hatches are held fast with stainless steel dog-down latches.

The Donzi 29 ZF handles the seas with ease and in fact feels like a much larger boat. Its nimble sports car handling and surprising speed invite you to explore new horizons while pampering you with its smooth, dry ride.

THE 2011 DONZI 29 ZF Open

THE 2011 DONZI 32 ZF Open

The Donzi 32 ZF boasts a full array of fishing features, like insulated overboard-draining fishboxes in the aft cockpit floor, and a 50-gallon illuminated livewell with high-volume pump system. There are four standard rod holders in the gunnels, four more in the helm seat, and four more on the T-top. The 32 ZF comes equipped with a large removable cooler, locking tackle boxes in the console, and more. Beneath the diamond-pattern nonskid, floor hatches with heavy-duty latches allow access to ample below-deck storage.

The 32 ZF's stepped running surface allows for maximum top end speed while also enhancing cruising speed efficiency. At the same time, the 32 ZF offers a smoother, drier ride than competitive models. The ride softness of the 32 ZF allows it to power through heavier seas, meaning you'll be forging ahead while others are throttling back. This advantage has been proven repeatedly at Southern Kingfish Association tournaments, where more professional anglers choose Donzi than any other brand.

THE 2011 DONZI 32 ZF Open

THE 2011 DONZI 35 ZF Cuddy

The Donzi 35 ZF enjoys a hard-earned reputation as one of the most distinctive and sought-after high performance center consoles on the water. With its sleek styling, accommodating layout and breathtaking performance, this offshore workhorse easily accommodates a wide range of on-water activities.

The 35 ZF's comfortable cockpit features richly upholstered drop-down bolster seats and wraparound cockpit coaming bolsters. There's an enclosed head compartment with nearly six feet of headroom concealed beneath the center console, equipped with a freshwater sink, shower, and head. A sturdy console windshield looks great while offering protection. The standard fiberglass hard top features rocket launches, integrated cockpit lighting, and a locking eletronics box, and it provides plenty of coverage from the sun.

THE 2011 DONZI 35 ZF Cuddy

THE 2011 DONZI 35 ZF Open

With its beefy construction, fast, dry ride and rugged wide-open cockpit, the Donzi 35 ZF Open can be found taming the seas from coast to coast. From Cape Cod to Cape Hatteras, and from Gulfport, Mississippi to the Gulf Stream, this offshore brute enjoys a well-earned reputation for being the first to the fish and back to the dock.

The 35 ZF's wide-open cockpit comes ready to fish with massive insulated overboard-draining fishboxes, illuminated transom livewell with high-volume pump system, four standard gunnel-mount rod holders (with four more on the 35 ZF's standard fiberglass hard top), a removable cooler, rod racks recessed into the port and starboard cockpit sidewalls, and locking tackle boxes in the console. Floor hatches with stainless steel dog-down latches allow access to ample below-deck storage.

From bow to stern, the 35 ZF Open comes fully equipped for a day of nonstop offshore angling, and thanks to its proven running surface and legendary Donzi performance, you'll get to where the action is - *fast*.

THE 2011 DONZI 35 ZF Open

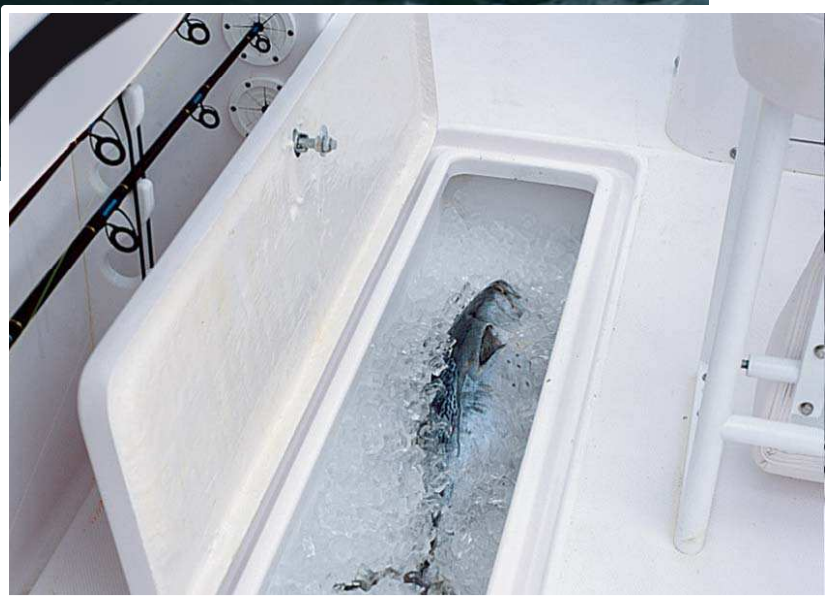
THE 2011 DONZI 38 ZF Cuddy



The Donzi 38 ZF Cuddy has been designed to offer great looks, blistering performance, and unmatched versatility. Designed with thoughtful features throughout, this offshore speed machine performs equally well whether tournament fishing, cruising, entertaining, diving, or pursuing any other activity.

The 38 ZF has been finished with upscale touches throughout. The sculpted, richly-padded drop-down bolster seats at the helm would be right at home on the sportiest high performance boat. The same goes for the wraparound cockpit coaming bolsters. There's room to stand inside the roomy console with fiberglass inner liner, where a freshwater sink, shower, and head are housed. A sturdy console windshield offers great looks as well as protection from the wind.

The 38 ZF provides an ideal combination of performance, comfort and utility, putting even the most distant waypoints within reach. With its proven ventilated hull design and triple Mercury 4-stroke Verado outboards, the 38 ZF offers great speed, nimble handling and a smooth, dry ride.

THE 2011 DONZI 38 ZF Cuddy

THE 2011 DONZI 38 ZF Open

The Donzi 38ZF Open is loaded with fishing features such as massive insulated overboard-draining fishboxes, an integrated, illuminated livewell with high-volume pump system, nine standard gunnel-mount rod holders (with four more on the standard fiberglass hard top), a removable cooler, recessed port and starboard rod racks in the cockpit sidewalls, and locking tackle storage compartments in the console. Floor hatches with stainless steel dog-down latches allow access to substantial additional storage below deck, and a wide-open, clutter-free cockpit floor extends all the way to the bow for full 360-degree fishability.

The 38 ZF provides an ideal combination of performance, comfort and utility, putting even the most distant waypoints within reach. With its proven ventilated hull design and triple Mercury 4-stroke Verado outboards, the 38 ZF produces speeds approaching the 70 MPH mark with nimble handling and a smooth, dry ride.

THE 2011 DONZI 38 ZF Open

THE 2011 DONZI 35 ZFX Cuddy

The Donzi 35 ZFX is a clever hybrid that is equal parts center console, luxuriously appointed day boat, and capable offshore performer, with a comfortable cockpit featuring a boatload of amenities. Donzi is offering an electric Sport Bolster option, which allows driver and co-pilot to raise, lower, and adjust their seat bottom with the push of a button. This option also integrates the throttles into the driver's seat armrest for total control. Add the Sport Dash option (featuring carbon fiber dash panels, a full array of instrumentation, and a leather-wrapped steering wheel) to give this performance machine a decidedly sports-car feel.

Forward of the console is a unique, contoured L-seat that offers plenty of room for passengers to stretch out and relax. Within easy reach you'll find a cockpit wetbar, with ample beverage holders and a freshwater sink. Inside the center console there's an enclosed head compartment with nearly six feet of headroom, equipped with a freshwater sink, shower, and head. The locking forward cuddy features a roomy v-berth and additional storage.

For those seeking a sexy, versatile, stylish design that entertains comfortably and has been built to fly, your search is over: The Donzi 35 ZFX is ready and waiting.

THE 2011 DONZI 35 ZFX Cuddy

THE 2011 DONZI 38 ZFX Cuddy

The Donzi 38 ZFX is a bold departure from traditional center consoles, offering sophisticated style, luxurious wraparound seating, and breathtaking performance never before associated with boats of its type.

New for 2009 are an available carbon fiber sport dash with full instrumentation and leather-wrapped steering wheel, and optional electric bolster seats with integrated controls. Tuck yourself into this richly-padded seat with the throttles right at your fingertips, and you'll find that taking the helm of this offshore rocket is a surprisingly comfortable, confidence-inspiring experience.

Choose from over 20 exterior colors and cockpit vinyls, add premium options such as cockpit misting system and underwater transom lights (in your choice of colors), and turn your Donzi 38 ZFX into a one-of-a-kind work of high performance art!

With its advanced, ventilated hull design and triple Mercury Verado outboard engines, the 38 ZFX offers nimble handling and blistering performance, while at the same time delivering a smooth, dry, surprisingly comfortable ride.

THE 2011 DONZI 38 ZFX Open

The 38 ZFX Open's spacious forward cockpit features a comfortable wraparound seating area. Richly upholstered seating surfaces wrap 180-degrees around the forward cockpit. These seats combine with integrated wraparound backrests, and the forward facing seats are contoured so they're ideal for sun lounging.

There's plenty of underseat storage for a boatload of guests to stow their belongings, and once aboard you'll have no problem entertaining them thanks to the forward cockpit refrigerator, self-draining cooler, wetbar, and beverage holders galore . A cockpit table lowers to work in conjunction with a filler cushion, converting the forward cockpit to an expansive lounge area. Aft, there's a comfortable fold-away seat with integrated backrest.

Even with so much attention dedicated to maximizing the 38 ZFX Open's convenience factor, Donzi didn't forget what this boat is really all about: Performance! With an advanced, ventilated stepped-bottom hull design and plenty of oomph from triple Mercury Verado four-stroke engines, you can expect sensational speeds, pinpoint balance and handling, and a solid, smooth dry ride that's sure to please your guests and leave a smile on your face, every time out.

Electronics Package 2

- Garmin 5212, GPS Map w/ 12" Touch Screen
- Garmin GMR D24 HD, Radar
- Garmin GXM 51 XM Weather & Radio
- Icom, VHF Radio M4204

Export Package

- 220 Volt Outlets
- All Applicable Appliances to be 220 Volt
- CE Certification
- Fire Extinguisher (Hand Held)
- GFCI Breakers
- Manual Bilge Pump

THE 2011 DONZI 38 ZFX Open

THE 2011 DONZI 27 ZR

From its sleek lines and aggressive stance to its automotive-inspired fuel fills and engine vents, this hot 27-footer is immediately recognizable as a Donzi ZR. The 27 ZR boasts ample cockpit storage for a day of fun on the water, with a locking glove box, self-draining in-dash cooler, plenty of beverage holders, and large recessed port and cockpit storage bins with cargo netting.

There are concealed storage compartments beneath the aft seat, while a locker in the forward port coaming easily accommodates additional personal belongings.

The 27 ZR features smartly placed grab handles for all passengers, footrests integrated into the port and starboard helm, and durable, sculpted upholstery, with standup bolster seats forward and a roomy aft bench seat with contoured backrest and integrated headrests. The net effect is a cockpit that not only speaks of taste and luxury, but also keeps all occupants comfortable when the needle begins to climb.

THE 2011 DONZI 27 ZR

THE 2011 DONZI 35 ZR Cuddy

When Donzi designed the 35 ZR, its mission was clear: Offer the same speed, dynamic handling, precision balance, and exceptional rough-water ride as its World Champion ZR race boat. Employ a user-friendly layout, with emphasis on comfort, accessibility, usable space, and overall driver/passenger enjoyment. Utilize a true 35-foot platform that will offer greater comfort and better handling than smaller so-called “35-foot” competitive offerings. Create an aggressive new look – fluid yet masculine, sexy, and distinctly Donzi. Design and construct this new boat to withstand the rigors of an offshore environment.

Those goals have been not just achieved, but heralded with resounding clarity. Boating Magazine said, “In the worst conditions, the 35 ZR was at it’s best. Acceleration wasn’t just quick, it was sudden.” Powerboat proclaimed, “They aced this design. Donzi’s new 35 ZR delivers a memorable ride.” When it comes to performance, the experts agree:
Donzi’s 35 ZR delivers.

THE 2011 DONZI 35 ZR Cuddy

THE 2011 DONZI 35 ZR Open

New for 2011, the Donzi 35 ZR Open offers the same race-bred speed, pinpoint handling, and breathtaking style as Donzi's popular 35 ZR, with the added versatility of a unique open-bow design.

Heading forward via molded steps in the port helm, or, through a roomy mid-cabin featuring facing love seats, cooler, and porta pottie, you'll find wraparound seating with integrated reclining backrests that are perfect for lounging. A stowable cockpit table converts the forward cockpit into a spacious conversation area, while a concealed wetbar with freshwater faucet, recessed beverage holders, and 12-volt refrigerator provide additional comfort and convenience. A premium sound system with integrated iPod dock can be operated remotely via a control pad in the forward cockpit.

All in all, Donzi's 35 ZR Open is a proven offshore performer that knows how to party.

THE 2011 DONZI 38 ZR

With its race-proven running surface and user-friendly design, the 38 ZR offers an ergonomic layout emphasizing comfort, accessibility, usable space, and overall driver/passenger enjoyment. With an overall length of nearly 39 feet, the 38 ZR offers more heft and accordingly a smoother ride than competitive offerings. With its fresh look, smart design, and blistering performance, the Donzi 38 ZR sets a new standard for performance boats in its size range. Add a pair of staggered engines with up to 1,075 HP each, and find yourself in control of one impressive, finely tuned, offshore beast!

Since its introduction, the 38 ZR has received rave reviews from critics far and wide. Motor Boating Magazine said, “This ZR is beyond go-fast; it’s pure performance.” Poker Runs America added, “When you tell someone you own a Donzi, no further explanations are necessary.” The prestigious Robb Report bestowed the with its 38 ZR its coveted “Best of the Best” award, and Powerboat Magazine gave the 38 ZR its “Award for Outstanding Offshore Performance”, proclaiming, “The 38 ZR does everything right!”

THE 2011 DONZI 38 ZRC

The Donzi 38 ZR Competition is the genuine article. This superlative ocean racer was designed around a next generation ventilated hull, which offers ideal balance and handling, blistering speed, and an unparalleled rough-water ride.

In addition to its six APBA National Championships, three APBA/UIM World Championships, and one P1 Powerboat / UIM World Championship, the Donzi 38 ZR Competition has earned unanimous praise from critics since its introduction. It was named Powerboat Magazine's "Offshore Vee Bottom Boat of the Year" in 2003, awarded "Outstanding Offshore Performance" in 2007, and has been a standout at poker runs since its debut. In summary, the Donzi 38 ZR Competition is perhaps one of the most coveted, respected, and sought-after v-bottom boats built today.

Only a lucky few will ever experience the superlative performance of this hand-built offshore thoroughbred. Those who do, will have a hard time ever settling for anything less.

- Swim Platform
- Upholstery - Solid Color
- Ventilation Syetem, Cockpit - Forced Air

THE 2011 DONZI 38 ZRC

THE 2011 DONZI 43 ZR

Donzi's flagship 43 ZR was designed for those with an affinity for superlatives. Smoothest. Fastest. Best handling.

Take your pick. With a Donzi 43 ZR, you'll never go unnoticed. A true 43-footer, the 43 ZR offers more length and wave-spanning capability than other boats in its class, with a wider beam for increased stability, and extra heft to assure a silky smooth ride.

The 43 ZR's exterior styling has been designed to belie its substantial stature. A dynamic feature line begins at the bow and flows aft in a lithe, sweeping stroke. A low profile windscreen is nestled in a subtle fairing to provide function without detracting from the fluid profile of this muscular machine. The 43 ZR's curvaceous stern swells almost imperceptibly to conceal power of your choosing. Whether rigged with staggered twins or triples, the athletic 43 ZR was born to run – and looks the part.

THE 2011 DONZI 38 ZSF

The Donzi 38 ZSF is one of the most versatile boats on the water. While there may be other boats out there of similar size, none of them offer anywhere near the same combination of amenities and all-out performance that puts the 38 ZSF in a class all its own. This dynamic model is equal parts fisherman, day boat, luxurious overnighter, and offshore performance boat.

From its well-appointed fishing cockpit, to its comfortable wraparound seating areas, to its inviting cabin replete with amenities, the 38 ZSF sees to your every need. Put the throttles down and there's no question that this offshore beast is every inch a Donzi.

The 38ZSF story is one of superlatives: Superior design, unmatched construction, top-notch handling, and blistering performance. These ingredients, combined with legendary Donzi styling and attention to detail, guarantee that the Donzi 38SZF will be one of the most sought-after boats on the water for years to come.
